

GENERAL MEETING

DATE: WEDNESDAY, 8 MAY 2019

TIME: 7:00 PM – 8:30 PM

VENUE: MT PLEASANT BOWLING CLUB

40 BEDFORD ROAD, ARDROSS

Dear Capital Community Radio Member

In accordance with Rule 17 of the Constitution and Rules, please be advised that a General Meeting of Capital Community Radio Inc will take place as set out above.

All Associations in Western Australia have until 30 June 2019 to bring their Constitutions into conformity with the Associations Incorporations Act 2015. The Constitution and Rules 2016 were adopted by Capital Radio in 2016 with a view to being compliant with that legislation, however, a recent review revealed that some changes are still required. As the legislation requires changes to the Constitution to be made before 30 June, the Management Committee took the opportunity to undertake a wider review of the Constitution to “future proof” it and correct minor errors.

The meeting is being held at a new venue for Capital Radio – **Mt Pleasant Bowling Club**, in close proximity to the station and Garden City. It is located on the corner of Glencoe Street and Bedford Road, Ardross. Access to the venue is very direct using Riseley Street (to access via Glencoe Street) or using Coomoora Road (to access via Bedford Street).

A copy of the proposed Constitution and Rules (marked up with the amendments) will be posted to our website. We will also post a map so that you can plan your route should you be able to attend.

We all hope that you can attend and look forward to seeing you.

With warmest best wishes

Stephanie Faulkner
