

Capital Community Radio 2021/22 Membership Renewal

Dear Capital Community Radio Member,

Thank you for your continuing support for our radio station, especially through the trying times of the last 18 months. Your annual membership fees are a major source of the funds needed to allow Capital Community Radio to keep broadcasting music from *The Golden Years of Radio*.

We have ordered a replacement for our ageing FM transmitter, to be purchased partly by a grant and the remainder by the wonderful donations received during our recent Radiothon. After it arrives it will require expert assistance for installation and to make sure the switchover is successful. To help cover these costs, we have made a modest \$4 increase to membership fees for individuals during 2021/22 - our first change of fees for five years. However, thanks to our partnership agreement with the WA Seniors Card Centre we offer Seniors Card holders a 10% discount that almost offsets the increase.

The new fee commences on 1 July 2021 and the increase only applies to "individual" memberships.
